

# **BKI: PLANNING**

## ***Foundation for the Future***

BKI works collaboratively with its partners to identify their system needs through extensive, on-site discovery. Our recommended options and plans are sensitive to reliability, cost, growth, rates and other considerations. The end result is a foundational path for the future.

- ***Utility Development Strategies***
- ***Comprehensive System Studies***
- ***Long-Range Plans (LRPs)***
- ***Construction Work Plans (CWPs)***
- ***Infrastructure Condition Analysis***
- ***Load Forecasts***
- ***Board Level Strategic Planning***

**Power in Partnership**
